

Yimin Tu

Game Manager
Badlanders

Yimin has been engaged in game research and development at NetEase for more than 8 years. He has participated in the development of the Tianxia 3, and is currently leading the Badlanders team. There are many military and shooting enthusiasts in the team, and they have always been committed to bringing a more immersive and interesting shooting battle experience to the mobile terminal. We hope that through continuous production and polishing, we will bring you a satisfactory work.

About NetEase Games

NetEase Games is the online games division of NetEase, Inc. (NASDAQ: NTES and HKEX: 9999), developing and operating some of the most popular mobile and PC games in markets including China and Japan. As one of the world's largest incubators of quality online game content, NetEase Games is dedicated to supporting the growth of innovative studios around the globe and growing an international presence along the way. To complement its self-developed games and world-class R&D capabilities, NetEase Games also partners with other industry leaders including Blizzard Entertainment, Mojang AB (a Microsoft subsidiary) and other global game developers to operate some of the most popular international online games in China.
