

Peng Sun

Game Designer Once Be Human

World and content designer of Once Be Human. Interested and invested in open-world exploration experience building and game storytelling. Steady supporter of women in game industry. Currently searching for the balance between industrialized game development process and fascinating open-world building.

About NetEase Games

NetEase Games is the online games division of NetEase, Inc. (NASDAQ: NTES and HKEX: 9999), developing and operating some of the most popular mobile and PC games in markets including China and Japan. As one of the world's largest incubators of quality online game content, NetEase Games is dedicated to supporting the growth of innovative studios around the globe and growing an international presence along the way. To complement its self-developed games and world-class R&D capabilities, NetEase Games also partners with other industry leaders including Blizzard Entertainment, Mojang AB (a Microsoft subsidiary) and other global game developers to operate some of the most popular international online games in China.
