The Lord of the Rings: Rise to War is an officially licensed mobile strategy game based on the iconic trilogy of books by J.R.R. Tolkien. The game will recreate the fictional world in a visually stunning and completely faithful rendition.

Key Features:

- Claim the One Ring

The One Ring has resurfaced in the deserted castle of Dol Guldur. It bestows upon its bearer unrivaled power to dominate Middle-earth, luring all in the land to make ready for a great war.

- Seek Tips in the Tavern

If you go drinking in the tavern, you might uncover some tips, tasks and tales. Buy a round, gain a commander's attention and receive special tasks. If you complete their tasks, you just might earn their respect and recruit them.

- Join a Faction to Fight

Each faction is drawn to the One Ring, vying to seize it for Middle-earth. Join a faction and enlist in a new War of the Ring.

- Explore Middle-earth

From Argonath to Mount Doom, experience J.R.R. Tolkien's expansive world and set out on your own journey.

- Assemble Vast Armies

Build an army the likes of which Middle-earth has never seen

before, with well-armed warriors, knights, archers and more. Victory is yours, so long as your strategy remains sharp.

- Form a Lasting Alliance

Embark on your journey with trusted allies at your side. Establish your place in this vast world by collecting resources, developing settlements and expanding your territory. Great challenges await!
