Game Overview:

ZOZ: Final Hour is a TPS for your extreme shooting delight. Zombie City, San Yager. Including you, 15 mercenaries infiltrate into the city to collect Blood Crystals, a mysterious matter which is worth hundreds of billions of dollars and carries the hope of salvation of the human race! You will only retreat with the condition of enough Blood Crystals. But watch your back, Merc, Zombies are not the biggest threat, Humans are!

- Human or Zombie

In San Yager, death is a new start. Merc will revive as Zombie after losing all blood. The thirst for blood is taking over your mind. As a Zombie, all you want to do is to pursue the pure pleasure of hunting down Human. It's time to kill!

- Peace or Rogue

Kill Blood Crystal Zombies and extract the treasurable materials from them, or simply take them from your fellow Merc. The unique PvPvE mode offers you a chance to be who you are. But bear in mind, your only goal is to get the Crystal and get out of dodge!

- Team-Player or Lone-Wolf

You can select Solo mode and go it alone or Duo Mode and fight in pairs. Tread carefully!

- Gear up and Move out

You' ll be paid up-front to purchase gears before the dangerous mission. Every Merc will be issued with different random gears to choose from.

Then a chopper will ship you into the battlefield, which is made up by 7 blocks of random building complexes, making each mission a thrilling surprise!
